2027 IEEE 10th International Conference on Energy, Electrical and Power Engineering

To further promote academic exchange and collaboration in the field of energy and electrical engineering, 2027 IEEE 10th International Conference on Energy, Electrical and Power Engineering (CEEPE) will be held in Tianjin, China during April 16-18, 2027. It is sponsored by Tianjin University, China.

Tianjin, China
April 16-18, 2027

Conference Proceedings

IEEE All submissions will be peer reviewed by 2-3 reviewers. The registered and presented papers will be published into CEEPE Conference Proceedings, and reviewed by the IEEE Conference Publication Program for IEEE Xplore, **Ei Compendex** and **Scopus**.

Call for Papers

Power system analysis
- Electricity markets
- Power system operation & planning
- Integrated energy systems
- Low-carbon energy system

Power electronics
- Power electronics functionalities
- Design and control of power electronics
- Modeling, simulation and analysis of power electronics

High voltage
- High voltage engineering
- Insulation technology
- Advanced electrical materials

Renewable generation integration
- Power generation toward low carbon
- Virtual power plants
- Active distribution networks
- P2X technologies

Advanced electrical technology
- AI technologies
- Digital twin in power systems
- Novel communication technologies

CEEPE Calendar

Submission of Full Paper	November 30th, 2026
Notification Deadline	December 30th, 2026
Registration Deadline	January 20th, 2027

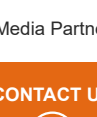

CEEPE Awards

- Young Scientist Award
- Best Paper Award
- Best Student Paper Award
- Best Industrial Paper Award
- Outstanding Contribution Award
- Outstanding Reviewer Award
- Best Oral Presentation Award
